Visiting Team Information

On Behalf of the Western Connecticut State University Athletic Training Staff, welcome to our campus for your team’s upcoming athletic event. A Certified Athletic Trainer will be available in the Athletic Training Room two hours prior to the event and up to one hour after the event has concluded. If you have specific needs for your team please contact the WCSU staff athletic trainer who covers that particular sport.

Teams Traveling without an Athletic Trainer:

For those teams traveling without an athletic trainer, please notify our staff by email or phone. Teams must provide their own tape and supplies for wound care. Also, please send student athletic insurance and contact information so that it may be available in the event of an emergency. If there is a student athlete who would require a significant amount of service an e-mail or phone call in advance would be greatly appreciated.

The following services will be available upon your visit:

1. Water cups and bottles
2. Injury ice and bags
3. Modalities: Hot packs. Any other modality use for a team travelling without a staff athletic trainer will require a written note signed by the ATC.
4. Emergency equipment (including AED, Crutches, Splint bag, biohazard bag, H2O) will be onsite with the ATC providing coverage.
5. Football games will be covered by either the Team Orthopedic Surgeon or Physician Assistant and our local ambulance service.

In case of a medical emergency all transports will go to the following:

Danbury Hospital
24 Hospital Ave
Danbury CT 06810
203-739-7000 (Emergency Department)
